4th Annual Buffalo Creek Half Marathon October 17, 2009

The 2008 3rd Annual Buffalo Creek Half Marathon attracted 316 runners from 11 states to our area. We anticipate this event will grow every year. The majority of our sponsors are local businesses that our trail users have indicated they patronize. If you have been a sponsor in the past, we thank you! For new sponsors, we ask for your support of this quality event that will help to complete and maintain the Butler-Freeport Community Trail – one of the premier rail-trails in southwestern PA.

The majority of the Buffalo Creek Half Marathon is held on the Butler-Freeport Community Trail. Many runners have told us this is the most scenic course that they have experienced. The race starts in Cabot, PA and ends 13.1 miles later along the bank of the Allegheny River in Freeport, PA. This course is very fast for the runners as it has a gentle downhill grade for most of the distance.

Entry fees paid by the runners only cover a portion of the cost. The generous support of local businesses such as yours is needed. Last year we had over 90 volunteers on race day, not including local fire, police and ambulance personnel.

Please consider becoming a sponsor for this quality running event that showcases the natural beauty of Western Pennsylvania and the Butler-Freeport Community Trail.

We have a variety of sponsorship levels from which to choose:
